Exhibitor Services

Freeman is the decorator for the Trade Show. You can contact their office at freeman.com with questions or to check their products and services. A full Exhibitor Services Manual will be emailed to you after we have received your **registration**. Using the information in the manual, you can order materials, arrange for electrical, schedule shipping, and get all the information you need to have a successful show. Please note that the hotel will not receive freight sent to individuals. **It is very important that you list the appropriate person and their email address as the pre-Convention contact — this is the person who will receive the exhibitor kit.** You should also make sure you add Freeman to your address book to ensure you receive their emails.

EXHIBIT INFORMATION
